## PREPARING FOR WINTER STORMS

The Office of Emergency Management suggests that individuals take the following steps to prepare for severe winter weather.

- **FOOD:** Use canned foods for easy storage and long shelf life. Choose ready-to-eat canned meat, fruits, and vegetables. Keep food fresh by checking dates and replacing it every year.
- **WATER:** Store a three day supply of water for each family member. One gallon per person per day is recommended for drinking, cooking, and washing. Remember to include water for your pets. Write the date on the water containers and replace them every six months.
- **OTHER ITEMS:** First aid kit, blankets, battery-powered clock and radio, extra candles, flashlights, extra batteries, matches, money (coins), fire extinguisher, trash bags, medication, cook stove with fuel, to list a few.

For a complete sheet of instructions and additional information, please go to the Emergency Management site on the City of Beaverton's webpage located at [www.ci.beaverton.or.us](http://www.ci.beaverton.or.us).

**After welcome and introductions Bruce introduced our Speaker Senator Ryan Deckert.**

**Senator Deckert applauded us for getting the Neighbors Southwest NAC started again. He believes that organizations such as the NAC give neighborhoods advocacy and encourage togetherness.**

**Senator Deckert spoke to us about annexation stating that half of his district is not in the city. This session of congress is addressing annexation. Citizens of Beaverton need to be heard – not just the unincorporated areas in regards to annexation. School funding was also addressed.**

**Senator Deckert assured us he is aware of all of the important issues of the citizens in his district and he is working for solutions in Salem.**

**Senator Ryan Deckert can be reached at [deckert.sen@state.or.us](mailto:deckert.sen@state.or.us)

**There were no representatives from the Beaverton Police Department.**

**The TVFR was represented by Mark Charleston, Nathan DeBoer and Steve Heisel. Mark Charleston spoke to us giving statistics of call in our area. In 2004 our NAC experienced a total of 446 calls divided as follows: 19 fire, 215 Emergency and 202 other. Calls to date in 2005 are 40 total: 1 fire, 26 Medical.**

**Starting March 1, 2005 the Fire Academy will have 15 new recruits. They will go through a twelve-week program 40 hours a week for 9 months at a station and then probation before becoming a fire fighter. Public Information for TVFR can be obtained at [www.TVFR.com](http://www.TVFR.com).**

**Bruce Miller asked for approval of minutes of January 19, 2005 minutes. The minutes were approved and seconded.**

**Neighbor concerns were then addressed. The Meth problem was brought up and asked what is being done about it. We responded that we would talk to the Beaverton Police Department and get an answer for the next meeting.**

**Mike Gallagher talked about CERT (Community Emergency Response Team). He and Bruce Miller have been talking about getting a meeting together to profile what the program is about. It is a community volunteer program to aid in an emergency co-ordination during a disaster situation. Mike passed out literature. The city of Beaverton web site also has more information.**

**Fundraising was discussed. Marian has put in the application for our matching funds. Solicitation of local businesses for contributions was talked about and Bruce asked for help soliciting businesses for these contributions.**

**We are up to seven board members. We need three more. Anyone interested is welcome.**

**Our March meeting will be held at Scholls Heights Elementary School on March 16, 2005 at 7:00 p.m.**

**The meeting was adjourned at 8:15 p.m.**

**Respectfully submitted  
Phyllis Galitz  
Recorder**
